REMINGTON-MANAGED HOTELS HONORED WITH FIVE RADISSON PRESIDENT'S AWARDS

Managed Properties Recognized for Superior Guest Service and Overall Quality

DALLAS (May 9, 2006) --- Remington has been honored with five prestigious President's Awards by Radisson Hotels & Resorts based on outstanding performance in 2005. The prestigious annual awards were bestowed upon five Radisson Hotels managed by Remington, the premier service provider to the hospitality industry.

Radisson Hotels & Resorts' President's Awards honored five Remington-operated Radisson Hotel properties, including Radisson Hotel Milford (Mass.); Radisson Hotel Rockland (Mass.); Radisson Indianapolis Hotel City Centre; Radisson Hotel Indianapolis Airport, and Radisson Hotel MacArthur Airport (Holtsville, New York). These premier properties have shown outstanding achievement among Radisson's more than 260 hotels in The Americas, Asia Pacific and the United Kingdom.

Remington has been recognized among the most widely honored properties by Radisson's Presidents Awards in recent years – winning five or more such awards annually over the past three years – as its managed properties continue to rank highly among guests and brand officials alike.

"This award is truly an accomplishment, and something we strived for each year. All of our associates were committed to achieving this honor and they deserve this recognition for their hard work and dedication", said Mark Sharkey, Chief Operating Officer for Remington.

"The President's Award represents the best of the best for Radisson and recognizes the hotels that have demonstrated their exceptional commitment to guest service and product quality that distinguishes Radisson in the global marketplace," remarked Nancy Johnson, executive vice president and brand leader for Radisson Hotels & Resorts. "These hotels utilized their industry expertise and fully leveraged the company's revenue generating tools and information to excel in a challenging business environment with changing customer expectations," she added.
