HILTON HOUSTON NASA CLEAR LAKE HOTEL UNVEILS LUNA RESTAURANT, CITY'S NEWEST WATERFRONT DINING

DALLAS and HOUSTON (June 26, 2006) – The Hilton Houston NASA Clear Lake Hotel, under management by Remington, has unveiled Luna, its newly redesigned waterfront restaurant. Featuring Southwestern cuisine and seafood specialties created by award-winning Executive Chef Chad Landry, Luna offers waterfront dining with floor-to-ceiling windows overlooking Houston's Clear Lake, one of the nation's largest private boating centers. Luna has also added private dining space featuring unparalleled panoramic lake views.

"We take great pride in our signature recipes and ever-changing menu of specialties. Guests enjoy many regional favorites and delicacies at a choice lake-front setting," remarked Chef Landry, who was recently honored by the American Culinary Federation for his "hot food" and showmanship at the recent 2006 Epicurean Event. The event honored Louisiana-native Landry and his team among more than 40 local restaurants judged on quality, presentation, and overall showmanship.

The popular Houston Bay area restaurant will offer buffet service for breakfast and lunch and an a la carte menu for dinner. Luna's unique a la carte dinner menu will feature Landry's own signature appetizers including a *Seafood Martini* of salmon and shrimp served over a vodka cocktail sauce; *Calamari Steaks*, and his award-winning *Smoked Salmon* and *Crab Cake Duo*. Main dish specialties include the *Double Bourbon Strip Steak* with Landry's signature BBQ sauce and melted bleu cheese. An a la carte breakfast and lunch menu is also available in addition to various themed buffets, featuring Italian and Mexican cuisines.
