Remington-Managed Property Wins Top Honor for Renovation Program

MILFORD, MA -- (May 11, 2006) -- The Radisson Hotel Milford in Milford, Massachusetts, has been honored with a Radisson Renovation Award. The Remington-managed property was noted as the network's top refurbishment under \$5 million, and one of only three hotels in the 415-property Radisson network to garner such an honor.

"This distinguished award is a testament to our comprehensive renovation, which has driven overall quality with superior facilities, guest service and amenities," said Mark Sharkey, chief operating officer of Remington. "The refurbishment has effectively transformed the property, adding guest comforts and amenities such as Remington's signature Corner Pantry concept, as well as new business, dining and leisure facilities."

Managed by Remington, the *premier service provider to the hospitality industry*<sup>™</sup>, the Radisson Hotel Milford completed a \$3.2 million renovation spearheaded in fall 2005. The property also added a new Business Center, upgraded all meeting rooms, renovated the hotel's Il Cigno Restaurant, and introduced Legends Sports Bar and Grille, Milford's newest sports bar.

Among the region's top hotels, the Radisson Milford has been known for its hospitality excellence for more than 10 years. Situated in the center of activity for both business and pleasure, the hotel is set 30 miles west of downtown Boston and 25 miles north of Providence, five miles south of the Massachusetts Turnpike off I-495.
