REMINGTON COMPLETES RENOVATION OF RADISSON HOTEL MILFORD

DALLAS — (March 16, 2006) — Remington, the *premier service provider to the hospitality industry™*, today announced it has completed the final stages of a \$3.2 million room renovation of the Radisson Hotel Milford in Milford, Massachusetts, that began in fall 2005.

During the renovation, Remington installed the Sleep Number Bed in every room along with matching granite countertops and floors in the bathrooms. Beautiful cherry furniture adorns all guestrooms, which have been transformed from traditional business décor to a 21st century boutique-style design. The renovation also included the addition of Legends Sports Bar and Grille, the newest sports bar in Milford.

"This renovation will position the Radisson Hotel Milford as one of the top full service properties in the State of Massachusetts in terms of quality and amenities," said Mark Sharkey, Chief Operating Officer of Remington. "Last year we completed the renovation of every meeting room, added a Business Center, Remington's signature Corner Pantry concept and the Il Cigno Restaurant. We have now completely transformed the entire hotel and expect that we will be better positioned to attract a broader base of leisure and business travelers."

A President's Award Winner and among the region's top hotels, the Radisson Milford has been known for its hospitality excellence for more than 10 years. Perfectly situated in the center of activity for both business and pleasure, the hotel is located 30 miles west of downtown Boston and 25 miles north of Providence, just 5 miles south of the Massachusetts Turnpike off I-495. The Radisson Milford features 173 guestrooms, 10,000 square feet of meeting space, an indoor pool and a 24-hour fitness center with sauna.
