REMINGTON IS SELECTED FOR ANOTHER "KEY" AWARD AT SHERATON WORLD ORLANDO RESORT

Hotel Receives 2005 Gold Key Award from Meetings & Conventions

DALLAS — (August 29, 2005) — Remington Hotel Corporation, the *premier service provider to the hospitality industry™*, today announced that the Remington-managed Sheraton World Orlando Resort received the prestigious Gold Key Award for 2005 from *Meetings & Conventions* magazine.

All winners of this award of excellence were nominated and selected by readers of *Meetings & Conventions*, who based their votes on the overall professionalism and quality of the property. This year, the readers honored only 190 domestic and 20 international hotels and resorts as Gold Key winners. Meeting planners selected their winning properties based on strict industry criteria including: staff attitude, quality of meeting rooms, quality of guest services, food and beverage service, proficiency of handling reservations, availability of technical/support equipment and range of recreational facilities.

"To be selected by the most discerning audience among meeting planners as one of the top meeting hotels and resorts in the world is a great honor for us," Mark Sharkey, Chief Operating Officer of Remington, stated. "The 2005 Gold Key Award exemplifies the importance we place on delivering superior guest service and satisfaction. Having already secured global recognition at the Sheraton World Orlando by receiving a Starwood Hotels Leadership Award and as the 'Best Hotel in Orlando' by Latin Trade Magazine, we are pleased to extend this reputation to the important meeting planner industry. Orlando is one of the top meeting destinations in the world, and we look forward to continuing to leverage that demand with the best location, meeting facilities and guest service in the market."

The Orlando Sheraton World Resort is located minutes from Walt Disney World, Universal Orlando, SeaWorld and some of Florida's best golf courses, as well as the Orlando International Airport. Featuring 1,102 corporate-style guest rooms and suites, two ballrooms, 75,000 square feet of meeting space, 35 meeting rooms and executive boardrooms, the hotel is well known among business, group and leisure travelers as one of the leading hotels in Florida.
