REMINGTON FOUNDER HONORED WITH ABOVE & BEYOND AWARD

Archie Bennett, Jr. applauded by the hospitality industry

DALLAS (September 20, 2006) --- Remington founder, Archie Bennett, Jr. was presented with the Above & Beyond Award today during the 12th Annual Lodging Conference in Phoenix, Ariz. He was recognized for his more than 40 years of innovations in the industry and philanthropic efforts. The Lodging Conference, sponsored by LodgingLink.com, is one of the hospitality industry's premier events. Guests include CEOs, financiers, property developers and many more industry insiders. The conference started Sept. 18 and will run through Sept. 21.

Bennett has long been heralded as a visionary and leader in the hotel industry. From the first property he opened in the late 1960s to founding Remington, the full-service, client-focused management company with assets in excess of \$1 billion, he and his partners have pushed innovation and determination in the industry throughout the years. He is a founding member of the Industry Real Estate Finance Advisory Council (IREFAC) of the American Hotel & Motel Association and served as its chairman on two separate occasions.

Bennett has won numerous awards and is a frequent speaker at industry conferences. His humanitarian interests include generous support to such special charities as Habitat for Humanity, Salvation Army, Intrepid Fallen Heroes, Natural Area Preservation Association, Amistad Mission, Biblical Studies Foundation, St. Anthony Foundation, Christian Union, Inc. and others.

"Archie has always done the right thing in any business endeavor in which I have been involved," said Michael Murphy, Vice President of First Fidelity Companies. "He has shown the kind of character that is most important to me in a friend or business associate and that is loyalty."

Stephen Rushmore, President and Founder of HVS International, adds: "Archie is an icon. He is one of the most intelligent people in the hotel industry."
